StyleView SV41 Documentation Medical Cart

- Effortlessly maneuver the cart anywhere—StyleView quickly responds to caregivers' touch and enables nurses to focus on their patients
- Truly ergonomic design accommodates the largest range of nurses and other caregivers
- Adjusts for sitting or standing with a single motion to promote caregiver wellness and productivity
- StyleView's small footprint with ultra-smooth, durable casters travels easily across crowded carpet or hard surface floors and is perfect for space constrained areas
- Design accommodates most laptops—even widescreen with up to 17.3" diagonal size—easing future hardware deployments and upgrades
- Optional drawer configurations provide multiple storage options to fit your supplies and workflows
- Passes Ergotron's 10,000-cycle motion test, which ensures a minimum of five years trouble-free sit-to-stand height adjustment
